DECISION NO. 64981

ORDER

Open Meeting
June 25 and 26, 2002
Phoenix, Arizona

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the Commission finds, concludes, and orders that:

FINDINGS OF FACT

1. On September 18, 2000, in Decision No. 62895, the Commission granted to Onsite Access Local, LLC. ("Onsite" or "Applicant") a Certificate of Convenience and Necessity ("CC&N") authorizing it to provide competitive interLATA/intraLATA facilities based and reseller telecommunications services in Arizona.

2. On July 2, 2001, Onsite filed in this docket an application requesting that the Commission cancel its CC&N ("Application"). The Application stated that Onsite does not have any Arizona customers and had never offered telecommunication services in the state.

3. On May 24, 2002, the Commission's Utilities Division Staff ("Staff") filed a Staff Report in this matter.

4. In the Staff Report, Staff stated that Onsite had never offered telecommunications service in Arizona and there no prepayments, deposits, or advances that would be at risk by cancellation of Onsite's CC&N.

5. There are numerous other carriers in Arizona offering services similar to those Onsite

1 is currently certificated to provide.

2 6. No Arizona customers will be affected by the requested cancellation.

3 7. In the Staff Report, Staff recommended approval of Onsite's Application, without a
4 hearing.

5 **CONCLUSIONS OF LAW**

6 1. Applicant is a public service corporation within the meaning of Article XV of the
7 Arizona Constitution and A.R.S. §§ 40-281 and 40-282.

8 2. The Commission has jurisdiction over Applicant and the subject matter of the
9 application.

10 3. The cancellation of Applicant's CC&N(s) for provision of resold and facilities-based
11 local exchange and interexchange telecommunications services is in the public interest.

12 4. Staff's recommendation in Findings of Fact No. 7 is reasonable and should be
13 adopted.
